President & Founder

Welcome to ESYDOR TECH. We have been helping Fairfield County Connecticut and Westchester New York residents with all their computer and other technical questions. We provide fast, and friendly local help for Apple Mac users, and Microsoft Windows users.

Please call us anytime if you have any questions or wish to schedule Onsite Support. We provide hands on lessons for new and advanced users, as well as giving advice on new purchases. Since 1994 we have been providing top quality tech support and look forward to being of service.

Here's what sets us apart...

- 24 Hour Repair Turn Around
- Our 15 years experience of instaling Whole House Wifi Systems comes with a 2 year warranty.
- Same day, onsite pickup / dropoff
- Local, & reliable. We are not a big box store
